LEGEND

RAILROADS
Broad gauge: Station, Single track, Multiple track
Normal gauge: Station, Single track, Multiple track
Narrow gauge: Station, Single track, Multiple track
Under construction: Station, Single track, Multiple track

BOUNDARIES
International, surveyed, Marker
International, unsurveyed
Primary administrative
Secondary administrative
Astronomical point
Spot elevation
Fort
Mine
Mountain pass
Intermittent Stream, Lake
Unsurveyed Stream, Lake
Salt lake
Intermittent salt lake
Spring, well, waterhole

ROADS
Hard surface, all weather
Loose surface, graded, all weather
Loose surface, dry weather, or dirt
Track or trail

TASHKENT SU-FU (KASHGAR)
Large city
City
Small city or town
Village or settlement
Abadi
Contour
Escarpment
Cyclonic lake, Salt pool
Cyclonic stream
Snowfield, inland ice
Nonalut
Glacial moraine
Shell ice

SWAMP, MARSH
Swamp, marsh
Contour

WATER
Stream, Lake
Stream, Lake
Salt lake
Intermittent salt lake
Spring, well, waterhole

ADMINISTRATIVE INDEX

China
A. Sinking Province
B. Turpan Province
C. Tibet Province

RELIABILITY DIAGRAM

RELIABILITY FAIR
A. First month, Sino-Swedish Expedition, 1:100,000, reconnaissance survey, astronomic control, topographic plan.
B. Completed maps, Survey of India, 1:500,000, and Sino-Russian, various scales, reconnaissance surveys, astronomic control, topographic plan.
C. Comparative notes of various scales, reconnaissance surveys, astronomic control.
D. Completed maps, Survey of India, 1:1,000,000, reconnaissance survey, astronomic control, topographic plan.

LEGEND

Salt (gravel)
Cultivated areas
Poplar and tamarisk

GLOSSARY

basin..... source, head
bed..... spring
delta..... stream
dike..... dam
flood..... lake
flood..... ridge, river, stream
flood..... lake
flood..... well
flood..... land
flood..... rest house
flood..... lake
flood..... lake
flood..... mountain range
flood..... bank, cliff

EXPLANATORY NOTES

CHINA POPULATED PLACES
Due to the lack of specific census data, populated places have been classified according to their relative importance.
BOUNDARIES
All boundary alignments are approximate.
Where information was not available, the location was assumed to be 5500 meters.
DRAINAGE
River beds of the Tarim Basin fluctuate seasonally.
