

capital at seizing wild beasts [and in particular the wild oxen which are called *Beyamini*, very great and fierce animals]. They have also sundry other kinds of sporting dogs, and excellent lanner falcons [and sakers], swift in flight and well-trained, which are got in the mountains of the country.⁵

Now I have told you in brief all that is to be said about Tebet, and so we will leave it, and tell you about another province that is called Caidu.

Village of Eastern Tibet on Sze-ch'wan Frontier. (From Cooper.)

As regards Tebet, however, you should understand that it is subject to the Great Kaan. So, likewise, all the other kingdoms, regions, and provinces which are described in this book are subject to the Great Kaan; nay, even those other kingdoms, regions, and provinces of which I had occasion to speak at the beginning of the book as belonging to the son of Argon, the Lord of the Levant, are also subject to the Emperor; for the former holds his dominion of the Kaan, and is his liegeman and
