

*Note.*—A considerable number of the quasi-historical chapters in this section (which I have followed M. Pauthier in making into a Fourth Book) are the merest verbiage and repetition of narrative formulæ without the slightest value. I have therefore thought it undesirable to print all at length, and have given merely the gist (marked thus †), or an extract, of such chapters. They will be found entire in English in H. Murray's and Wright's editions, and in the original French in the edition of the Société de Géographie, in Bartoli, and in Pauthier.
