¹ MARSDEN divides the longer chapters into Sections, here shown by smaller figures. *a* and *b* indicate rough divisions of a chapter which are not marked in the texts concerned. The occasional page numbers in the first column refer to the present edition only and not to 1824. It has been impossible to include in this Table the English edition by A. RICCI or the Italian by BENEDETTO, because their chapters are not numbered. The Spanish *El Millón* follows the numbers of B., including a passage from P. in c. 95.
