Note: This Will, with 1 and 2 above, was bought by the Marciana from the library of Amadeo SVAJER in 1794. See J. VALENTINELLI *Bibl. Man.* I p. 105, III p. 65; cf. CICOGNA *Ins. Ven.* III p. 489. They were printed by CICOGNA and LAZARI, and this one was copied from the latter by PAUTHIER and (with minute changes) by YULE. Ends of lines of the original are marked | above.

(Archivio di Stato. Testamenti b. 55 fasc. Amicus S. Moysis, fol. 20v^o No. 56.)

Note: As in 2 and 6a, the distinction between *Paulino* and *Paulo* is to be noticed. The will of Blasius Paulino senior, 18 April 1320, says: *Item dimitto libras Centum blasiolo filio Nicoleti paulino nepoti meo cum ista condicione quod ponantur ad lucrum per meam commissariam uel commissarios vbi videbitur dicto Nicoletto paulino nepoti meo donec dictus blasiolus erit ad etatem, & quando erit ad etatem habeat capitale cum prode* (see Archivio di Stato. b.1323, Register of Notary Michael Blancho, 79). This extract incidentally illustrates the use of diminutive names, Blasiolus and Nicoletus for the later Blaxius and Nicolaus.
