

THE DESCRIPTION OF THE WORLD & THE MARRIAGE OF ZANETA

(Archivio di Stato. Cronaca Matrimoni—Avogaria del Comun Matrimoni di Nobili Veneti (a copy of marriage registers from c. 1400 to c. 1510, with additions in another hand) fol. 34r^o.)

(Archivio di Stato. Cronaca Matrimoni 36, fol. 71r^o.)

Note: This certainly refers to Zaneta, daughter of Maffeo Polo of S. Giovanni Grisostomo. cf. dd. 76, 86, 91, 93, 94.

82. Will of Clara Polo 7 March 1406. (S. Geremia)

(Archivio di Stato. Cronaca Matrimoni 36, fol. 280v^o.)

Note: Both these entries appear to be mistaken; (a) is correct in the register, but wrong in the note, (b) is wrong in both places. The man who was married was Marco son of Mafeo the son of Marco[lino]; but the Castellano was Marco the son of Nicolo of S. Geremia, as far as can be learnt.

84. Commission to Marco Polo 3 December 1408.
