

- Pistacia terebinthus* 246, 250
Pistacia vera 246, 250, 251
Pisum sativum 305
Polygonum tinctorium 325, 371
Polypodium fortunei 195
Poncirus trifoliata 227. It is the trifoliate orange common in northern China and Japan, and usually called *Citrus trifoliata*. The name *Poncirus* has been re-introduced by W. T. Swingle (in Sargent, *Plantae Wilsonianae*, Vol. II, pp. 135-137).
Pongamia glabra 581
Populus balsamifera 339, 342
Populus euphratica 341
Prunus amygdalus 405, 406
Prunus armeniaca 539
Prunus davidiana 408
Prunus domestica 216
Prunus persica 408
Prunus triflora 552
Psoralea corylifolia 483, 484
Pterocarpus santalinus 459, 584
Punica granatum 276
Punica protopunica 277
- Quercus cuspidata* 471
Quercus lusitanica var. *infectoria* 367
Quercus persica 349
Quercus vallonea Kotschy 349
- Ranunculus ficaria* 546
Raphanus 381
Raphanus sativus 446
Rehmannia glutinosa 195
Rheum emodi 551
Rheum officinale 548
Rheum palmatum 548
Rheum ribes 547, 549, 550
Rheum spiciforme 547
Rhus toxicodendron 196
Rhus vernificera 274
Ricinus communis 403, 482
Rosa banksia 464
Rosa rugosa 217
- Saccharum officinarum* 376, 584
Sago rumphii 385
Salisburia adiantifolia 251, 388
Santalum album 552, 584
Sapindus mukorossi 551, 583
Sapindus trifoliatus 583
Saussurea lappa 462, 463, 584
Schizandra chinensis 229
Scorodosma foetidum 353-355
Sedum erythrostictum 400
Semecarpus anacardium 482, 582
- Sesamum indicum* 289-292, 295
Sesamum orientale 288
Setaria italica glutinosa 565
Setaria viridis 339
Sinapis alba 380
Sinapis juncea 380
Smilax pseudochina 556
Sonchus 400, 401
Sophora 426
Spanachea 396
Spinacia oleracea 392
Spinacia tetandra 397
Spondias amara 551
Sterculia platanifolia 242, 339
Strychnos nux-vomica 448, 449
Styrax japonica 417
Styrax officinalis 456, 459
- Tamarindus indica* 426, 581, 582
Tamarix chinensis 339
Tamarix gallica 348
Taraxacum officinale 325
Terminalia belerica 378, 581
Terminalia chebula 378, 581
Thalictrum foliosum 547
Thapsia garganica 355
Torreya nucifera 251
Tribulus terrestris 393
Trifolium giganteum 215
Trigonella foenum graecum 216, 446
Tulipa gesneriana 314
- Ulmus campestris* 334, 439
Ulmus macrocarpa 439
Ulmus montana 439
Ulmus suberosa 439
- Valeriana jatamansi* 455, 584
Valeriana sisymbriifolia 455
Vicia faba 307
Viola pinnata 196
Vitis bryoniaefolia 227
Vitis coignetiae 244, 245
Vitis filifolia 243
Vitis flexuosa 245
Vitis labrusca 227
Vitis saccharifera 245
Vitis thunbergii 243, 245
Vitis vinifera 220, 221, 227, 243, 244
- Winterania canella* 580
- Zanthoxylum* 252, 374
Zanthoxylum setosum 375
Zingiber officinale 545, 583
Zizyphus lotus 478
Zizyphus vulgaris 385, 552
