The Beautiful Thseringskyid.

- First girl. 1. Have you not seen my companion?
Have you not seen my companion
Thseringskyid?
- Second girl. Your companion I do not know,
Your companion *Thseringskyid* I do
not know.
A girl, whose body was built as of gold
Was passing by here just now.
- First girl. 2. Have you not seen my companion?
Have you not seen my companion
Thseringskyid?
- Second girl. Your companion I do not know,
Thseringskyid I do not know.
A girl with a mass of matted hair (full
of) turquoises
Was passing by here just now.
- First girl. 3. Have you not seen my companion?
Have you not seen my companion
Thseringskyid?
- Second girl. Your companion I do not know,

A girl, glorious like the moon on the

Was passing by here just now.
