visit to Paris, to go in among the French people, to dispel the hostility which existed, and to win his way to

their hearts by the sheer grace of his personality.

This is the forward policy I would urge for Tibet, as for the frontier generally—far-seeing initiative to control events, instead of the passivity which lets events control us; the use of personality in place of pen and paper; and the substitution of intimacy for isolation.

Control to the first first first first the first section of the first section of the first section for the first section of the first s
