

**A CEMETERY IN KHOTAN**

Showing mud gravestones, and a tomb of mud on the left

**THE HOUSETOPS OF KHOTAN**

A mosque and school appear in the background

**A CHANTO PAPER-MAKER**

Pulp of mulberry bark is put in a cloth-bottomed frame immersed in water. After being spread evenly, with a cross-headed stick, the pulp forms a sheet, which is set up in the sun to dry
