After two days' rest there was nothing to detain me at Tsinchow. Old Litui called on his way to the priests to have his French lesson and gave me two of the four maps he had promised me, bringing them at the very moment when my cases were being closed. The others were to be sent on. *April 16th. Shuitang Ching village.*

The road led eastward. About 2/3 of a mile from the town we crossed the Sei ho, flowing here in 7 branches of very slight depth. The 3 larger ones are 2 1/2, the other
